

SD 60 Early Learning Tip July – Build With Your Child

School District 60 wants you to know...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

Building with your child means ...

- **build** with blocks, lego, sticks, or rocks to create structures and patterns
- build together and **talk** about what you are building
- **create** art

Why? Building with your child helps your child to develop fine motor skills, math and science knowledge and it encourages story telling and artistic expression. To find out more information go to:
